

Solomon's Porch

Ellijay FUMC's Academy

Dear Wisdom Seekers (That's You!)

They called it "Solomon's Porch," and it was a cloister located on the eastern side of the Temple in Jerusalem which appears to have served as a gathering place for seekers. Of course, you don't have to take our word for it. You can find it in a few places in the New Testament. Like, in John 10:21-30 Jesus was in this place as people asked him to tell them if he was the Messiah! And then, in Acts 3:11 people come to this place where Peter & John are gathered seeking to learn how they healed a man who had been lame from birth. In which case, Solomon's Porch was a place in which people came wanting to know more...
