

CONNECT WITH A COMMUNITY!

For 18 years, GRASP has reached out to, and connected with individuals in need. In fact, GRASP has freely provided services to many that would otherwise go unfulfilled.

The needs that we strive to meet aren't just financial or physical, though.

We aim to build an emotional and spiritual connection with those whom we share the world!

GRASP 2022

June 9-12

What is GRASP?

GRASP--also known as the Gilmer Relief & Service Project--is a unique opportunity for youth to become involved in locally-minded mission work by serving the needs of the elderly, differently abled, and economically disadvantaged citizens in an Appalachian community.

What will I do?

Opportunities for service include projects such as building wheelchair ramps and steps, performing minor household repairs, painting houses, cutting grass, cleaning debris from yards, planting flowers, being present with community members, and more!

Worship?

We've got you covered with an engaging speaker--this year, it's the Reverend Montana Hamby of Mt. Zion UMC in Marietta! We'll also have the House band (i.e., the GRASP Band), games, and more!
